2) Parking & Setting Up

Vendors may begin setting up from **09:00** on the day of the event. The venue may open before (If you wish to come to set up your shop early, please inform Bambi Coordinator before the event day.) Vehicle access to the entrance will lead you directly to the loading area on your right hand side. (Bambini will block 4 parking slots for you to unload your items on your left hand side). Bambini will not provide helpers/trolleys so it would be your responsibility to load/unload your sale items before and after the event.

Please be informed that after you unload your items you must park your car at Nihonmachi parking opposite Bambini Villa and bring the parking ticket to stamp at Bambini Villa. Parking slots at Bambini Villa are limited and reserved for our clients who will join our event.

Parking at Nihonmachi

All vendors and goods **must be on-site before 09:45** or the table will be considered as **canceled**.

Note: Table payment will not be returned to the original vendor! The reason for this policy is to avoid blockage and disruption to the entrance area/shoppers once the sale begins at 10:00

No payments are to be exchanged between vendors and shoppers, or other vendors, before 10:00 on the day of the sale. Only verbal reservations can be made between vendors before 10:00. Note: Any vendor seen taking payments for goods before 10:00 will be blacklisted from future BAMBI yard sales.

BAMBI does not support vendors that buy goods from fellow vendors on the day of the sale, and who then sell these goods to shoppers on their table the same day. Any vendor sighted doing this will be blacklisted from future BAMBI yard sales.

At the end of the Yard Sale all Vendors are responsible for cleaning their table and area after them. Vendors who fail to do so will be blacklisted from future Yard Sales. Items you do not wish to take back. You can donate to BAMBI Charities table or swap shop table. Together, please let's

keep the venue clean, then they will be happy to host our events in the future.

3) Tables

Vendors will be provided a white plastic table of approximately 180 x 60 cm in total 1.2m x 2 m selling space. The sale will take place in a semi outdoor. Tablecloths are not provided, please bring your own if you need them. **Tables are allocated according to the order of bookings.** *If vendors ask for a special table then we usually don't make exceptions. this is not fair for others so please do understand.*

Floor Plan (Event)

4) Max 2 persons per table, if you need extra helper 60 baht per person.

A helper is someone who will either be selling at your table with you or selling in place of you at the table. You can have 2 people on the table at no extra cost (you and 1 helper). Any additional helpers will have to pay to enter the Yard Sale at 60B per adult.

5) BAMBI Yard Sale Policy:

All table fees are to be paid to BAMBI no later than May 15th. Failure to make payment arrangements by this time may result in your booking being canceled and the table made available to another vendor.

Cancellations may occur up to **5 working days** prior to the sale (**May 13rd, 2024**). After this time, vendor(s) are responsible for the payment of the table fee unless he / she is able to find another BAMBI member/non- member to take over the table. Table fees will not be reimbursed in the event that a vendor does not show-up or if they and / or their goods arrive after 09:45 on the morning of the sale.

Bookings cannot be guaranteed until this payment receipt has been received.

FREQUENTLY ASKED QUESTIONS

Do I have to sell only second-hand baby products? How about brand new things?

This event is reserved for the sale of second-hand goods only – you may sell anything as long as it's not new. We encourage the sale of all kinds of second-hand items including household goods, clothes books, children's toys, baby furniture, strollers etc. However please ensure the safety of those buying your goods by not selling anything broken or damaged.

May I donate things that I don't sell to BAMBI Charities?

Yes please! You can leave your unsold items at the BAMBI Charities table during or at the end of the sale (the table will be marked). Your donated items will be donated to other charitable organizations.

Can we bring along a small side table in case the extra space is insufficient?

As space is limited there is no guarantee of extra 'side space'. We suggest that when considering your display areas you plan to have all goods placed on the tables provided. We don't recommend putting things on the floor as it can obstruct the walk-way and become a hazard. If vendors block the pathways we will insist that items are moved immediately. Routes can become very busy with shoppers, strollers and small children.

Are tablecloths going to be provided?

No, if you require tablecloths please feel free to bring them along yourself.

Can I choose the location of my table?

No. As tables are booked on a first-come, first-paid basis and final positioning is dependent on the total number of vendors and the best fit for the venue. In our experience at hosting Yard Sales, every table position is easily accessible and there is no correlation between table position and table revenue!

In the booking form there is a question asking the number of helpers. What is a “helper”? A family member will be dropping me off at the site and will be helping with packing/unpacking. Would this be considered a “helper”?

A helper is someone who will either be selling at your table with you or selling in place of you at the table. Other people only helping with the logistics will not be considered a helper and will not incur cost.
